Continuation of Substance of Interview including description of the general nature of what was discussed:

Continuation of Substance of Interview including description of the general nature of what was discussed: Upon examiner reconsideration of applicants prior arguments in the remarks of 7/23/2004, discussed how claim 1 requires elements from dependent claims 4,6 (and associated similar claims, see examiner amendment). The examiner proposed appropriate changes via examiner amendment, into the claims that would sufficiently narrow the scope and distinguish the invention for allowance. Mr. Hsu obtained the approval of the applicant, and confirmed examiners proposed claim changes by forwarding all discussed changes in supplemental amendment FAX dated 10/20/2004..
